SPECIAL TRAINING

November 16, 2016 • 5:00pm-6:30pm

"PRO-SLOPE & FreeStyle Linear Drains"

Prior to this month's general meeting, you and your employees are invited to attend a special product training and hands-on demonstration featuring PRO-SLOPE and FreeStyle Linear Drains presented by Dave Kennedy of Noble Company.

Hi Everyone,

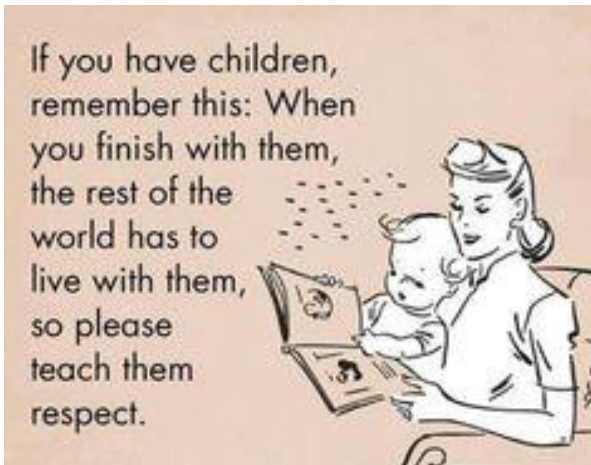

Donald Trump is President-elect of the United States of America. Like it or not, the constitution mandates the Electoral College picks presidents. What upsets me is the amount of people (mostly young) who because they DID NOT GET THEIR WAY are throwing a fit! I remember when I was a boy and if I acted out of line for any reason my PARENTS set me straight real quick! If we want to make America great now and in the future I believe it starts at home with the people!

We have another great meeting lined up for November! Starting at 5:00pm, Noble Company, who specializes in shower waterproofing, will give product training and hands-on demonstrations of their products. With all the talk about showers lately in WSSC you might learn something new to help!

Ferguson is also going to be there! There will be appetizers, and a lot of great door prizes! Hope to see you there!

One more thing about elections we have our annual election coming up next month! We need to set the slate for it this meeting so speak up if you or know someone who you want to nominate.

Jack Walsh, 2016 President

WSMPA 2017 ELECTION

WSMPA's election of 2017 officers/directors will take place at the December General Membership Meeting (12/14/16). If you're interested in running for a position on the Board, call the office at 301-466-7747. We would love to have some new faces serve on the 2017 Board and/or 2017 Committees.

PAC

George M. Brill, Jr.

Along with your 2017 Membership Dues, you are being asked to make a contribution to the WSMPA PAC. These are funds to support politicians who are friendly to us, **and we need friends**. Last year, we had them introduce legislation to have the whole state adopt the IPC and the IFGC. Although it failed, we do not know what will come up in the next legislative session, but with the WSSC partnering up with HomeServe we may have to head to Annapolis. If everyone sent in at least \$100 we would have a nice fund to protect ourselves. Please consider making a donation so we can continue to support our industry by being an influence in Annapolis.
